ModvlvS Workshop

BRV presents the program of the technical workshops that will take place at the factory in Valduggia. They're specially made for technical and/or sales staff of its Customers.

The presence of staff from Companies not yet BRV Customers, interested in deepening the knowledge of ModvlvS products and its technology, is also welcomed.

The scheduled dates of the meetings are listed in the special section "Events" of the website www.brv.it. Registration and participation are free.

The meetings will be held by BRV technical staff with the possible presence of highly qualified technicians from national and international companies working in the heating, solar thermal, alternative energy fields.

Schedule of meetings:

- 9.00 a.m. • Welcome to participants and opening of the workshop.
- Illustration and presentation of the **ModvlvS** catalogue products, with special emphasis on the latest news.
- Visit of a few working systems in the factory, with demonstration of their functions.
- 12.30 a.m. • Lunch break: you will be BRV welcome guests.
- 2.00 p.m. • Guided tour to the factory.
- 3.00 p.m. • Open discussion on various technical matters.
- 4.30 p.m. • End of the workshop.

Interested people are kindly requested to fill in each part of the following blank, writing in legible capital letters and to send it by mail or by fax to the below indicated addresses, within and not later than 10 days before the workshop scheduled date:

Fax.: +39 0163 48188 email: info@brv.it

For any further detail, please contact BRV Sales Department.
